

Portrait 43", 55"

Specification Sheet

PORTRAIT SPEC SHEET v3.5 / U.S. Patent No. 10225509 / EFFECTIVE 8/5/2025
Specifications are subject to change without notice.

The Portrait is an all-in-one, multitouch and motion-based standing kiosk. It features either a 43" or 55" portrait-oriented LG commercial 4K display rated 24/7, and a 3M/TES touch sensor with support for 80 touch points. The Portrait comes standard with Windows 11 Professional and can run any supported PC applications.

The Portrait is equipped with a powerful integrated Intel™ Core processor, the latest NVIDIA™ discrete graphics cards, and single push-button power. It is also designed to allow for the option of an integrated motion sensor camera in the base of the unit for touchless interaction.

The Portrait's sleek design is also incredibly tough. It is constructed from aircraft-grade aluminum and covered with a durable powder coat. Ideum displays use a patented manufacturing method.

The Portrait is quality-built in the USA and ships as a complete turnkey system with lockable, push-button operation—just plug it in and turn it on. All of Ideum's hardware is backed by a three-year warranty.

Interactive Display

- › 4K UHD (3840x2160) LG commercial display rated 24/7
- › 43" diagonal, strengthened, anti-stiction, 4mm glass surface
- › TES / 3M™ projected capacitive touch sensor
- › ±5ms touch response time
- › 80 touch points with palm rejection
- › Native contrast ratio 1100:1
- › 500 nits luminance

Integrated System

- › Single push-button power
- › Custom lockable enclosure
- › Windows 11 Professional
- › Two 10W integrated speakers
- › Universal 110-240V power system

STANDARD

- › Intel 15th Gen Core Ultra 5 245K processor
- › NVIDIA RTX A2000 16GB Ada Generation graphics card
- › 16GB DDR5 RAM
- › 500GB M.2 NVMe SSD

PERFORMANCE

- › Intel 15th Gen Core Ultra 7 265K processor
- › NVIDIA RTX 4000 20GB Ada Generation graphics card
- › 32GB DDR5 RAM
- › Dual 500GB M.2 NVMe SSD

Connectivity

- › TPM/TPP compatible for secure environments
- › WiFi 802.11 a/b/g/n/ac, Ethernet, Bluetooth 5.0
- › Wireless keyboard with integrated trackpad
- › Audio output via 1/8" audio jack
- › Microsoft™ Azure Kinect motion sensor for zero-touch interaction (optional)
- › HDMI Output (PC)
- › RFID (optional)
- › Direct access via USB ports
- › Communication hardware can be removed upon request for secure environments

Software

The Portrait touch kiosk comes with Windows 11 Professional and supports PC applications. Applications that are optimized for touch work best.

Ideum offers custom software development. We have experience developing interactive applications mostly for public spaces. Our expertise in a broad range of programming environments allows our work to span the realms of informal and formal education, interactive technology, art, and entertainment.

ALSO AVAILABLE

RFID Utility

Ideum multitouch products include an optional RFID utility for enhanced functionality.

Our new and improved RFID software allows you to automate system tasks, launch and switch applications, and more with a single movement. This useful utility is free for Ideum touch table owners.

Customizations

Mounted Hardened Camera Enclosure

An all-aluminum enclosure for Microsoft Azure Kinect or Logitech Webcams.

Colors and Finishes

Available in hundreds of RAL color and finish options. (1–2 weeks additional lead time.)

ATA Flight Case

Reusable travel case with locking casters and locking latch clasps.

Hours: 8:00 AM – 5:00 PM Mountain Time, Monday through Friday.

The Colossus, Drafting, Pano, Platform, Pico, Pro, Reader Rail, and Inline touch tables and the Portrait and Presenter touch displays from Ideum are designed, manufactured, and made in the USA of U.S. and imported parts.

Compliant with height and reach requirements for the Americans with Disabilities Act standards for accessibility. Learn more about Ideum's commitment to accessibility at www.ideum.com/ada

IMPORTANT NOTICE TO PURCHASER: Specifications are subject to change without notice. Ideum hardware and software are warrantied from the date of receipt to the period stated in the warranty. Please note that under Ideum's warranty, Ideum has no obligation for any hardware product that is modified or damaged through misuse, accident, neglect, or subsequent integration, service, or tampering, by anyone other than Ideum or an Ideum-approved entity or individual. Ideum makes no additional warranties, express or implied, including but not limited to any fitness for a particular purpose. The User is responsible for determining whether Ideum hardware products or software are fit for the User's particular purpose. If the hardware product or software are proven not to have met Ideum's warranty, then Ideum's sole obligation and User's and Purchaser's exclusive remedy will be, at Ideum's option, to repair or replace the product or refund its purchase price. Ideum shall not be liable in any action against it in any way related to the hardware products or software for any loss or damages, whether non-specified, direct, indirect, special, incidental or consequential (including downtime, loss of profits or goodwill) regardless of the legal theory asserted. Please see our full warranty for complete details.
